Subject: Fwd: Breaking News — OPD Preparing to Move Into Plaza

Breaking News from East Bay News Service

Riot-gear clad Oakland police officers have begun deploying in the vicinity of Frank H. Ogawa Plaza adjacent to City Hall.

Residents of the two-week old encampment in the Plaza were tipped off by local merchants that OPD planned to move in "between 3 and 5 a.m." to clear out occupants, who have been given several notices to vacate and abate in the past week.

OPD's helicopter, Argus One, is likely to be pulled out of mothballs for the staging. Media staging is on the East side of Broadway at 13th Street (near DeLauer's).

Depending on how the operation proceeds, a determination will be made if City Hall and adjacent administration buildings will be opened.

City Council committee meetings are scheduled to begin at 10:30 a.m.

Many Oaklanders support the goals of the national Occupy Wall Street movement. We maintained daily communication with the evolving occupants. However, over the last week it was apparent that neither the demonstrators nor the City could maintain safe or sanitary conditions or control the ongoing vandalism. Frank Ogawa Plaza will continue to be open as a free speech area from 6 am to 10 pm.

We want to thank the police, fire, public works and other employees who worked over the last week to peacefully close the encampment. We also thank the majority of the protestors who peacefully complied with city officials.

I commend Chief Jordan for a peaceful resolution to a situation that deteriorated and concerned our community. His leadership was critical in the successful execution of this operation. City Administrator Deanna Santana developed the plan and secured mutual aid from other departments and the State of California. She will direct departmental teams, including police, public works, communications, to restore conditions at the Plaza so that it is available for public use.

The City welcomes all Oaklanders to continue to use the Plaza during daylight hours for peaceful protest and celebrating Oakland.

For Karen if asked:

Mayor Quan monitored the operation minute by minute, communicating with the City Administrator and staff.

FOR IMMEDIATE RELEASE

October 25, 2011

OPD Enforces "Notice of Violations and Demand to Cease Violations" in Frank Ogawa Plaza

Oakland, CA – This morning at 4:30 am, the Oakland Police Department began enforcement of the "Notice of Violations and Demand to Cease Violations" issued on Friday, October 21, to persons staying overnight in Frank Ogawa Plaza related to the Occupy Oakland demonstration.

By approximately 5:30 am, Frank Ogawa Plaza had been contained, and the City is in the process of mobilizing the clean-up phase.

Downtown employers and City employees are still advised to delay the start of the work day until further notice.

The 12th Street BART station is closed. AC Transit is re-routing buses downtown.

The City of Oakland appreciates the outstanding mutual aid assistance provided by local law enforcement agencies.

Additional updates will be forthcoming as information becomes available. The City will communicate via news releases until further notice. We anticipate holding a live media briefing in several hours.

Background

From the outset of the demonstration which began two weeks ago on Monday, October 10, the City of Oakland has focused on three clear goals: 1) facilitating the protesters' right to free speech and peaceful expression, 2) maintaining public health and safety, and 3) crowd control.

Two days into the demonstration, the City began providing written notices of the ground rules required in order to protect the health and safety of the group and to respect the Plaza, which is a public park.

After the first weekend, the City began getting reports of problems and communicated with the demonstrators about additional health and safety concerns (e.g., fire hazards, sanitation, food storage, unsafe structures built into the Plaza, noise).

By the second week, conditions began to deteriorate. On at least two occasions, American Medical Response (AMR ambulance company) was denied access to provide medical care. The Oakland Fire Department and Police Department were denied access to the Plaza to respond to calls for service. The City also received reports that an individual was severely beaten. Sanitation conditions worsened with frequent instances of public urination and defecation, as well as improper food storage. The existing rodent problem on the Plaza was exacerbated and vector control was unable to implement measures to control the rat problem due to the presence of overnight campers. The Plaza was physically damaged on a daily basis by graffiti, litter, and vandalism. Fire hazards continued unabated, including cooking with open flame, improper storage and disposal of propane tanks, storage of grease, inadequate fire extinguishers, density of tents and flammable materials, and smoking in tents. Specifically:

- On **Monday, October 17**, the City received its first report of a sexual assault, and a television reporter was bitten by a protester’s dog.
- On **Tuesday, October 18**, the dynamics of the group had changed. We began to receive numerous complaints of threatening, intimidating behavior; individuals threatened to riot if OPD facilitated their march through downtown that evening; public health and safety requirements were being ignored. The City began collecting intelligence to determine the amount of mutual aid that would be required to address the situation.
- On **Wednesday, October 19**, the City sent its fourth notice communicating additional health and safety concerns, including sexual offenses, fighting, public drinking, and intoxication. The County Health Department conducted its first inspection and the Oakland Fire Department conducted a second inspection. The City began putting appropriate plans in place to put an end to overnight camping and cooking in the Plaza, and OPD formally requested mutual aid.
- On **Thursday, October 20**, the City put the demonstrators on notice that as a result of multiple conditions—including fire hazards, increased levels of violence, denial of access to public safety personnel to assist injured people, mounting sanitation hazards, health hazards, physical damage to the Plaza and lawn, graffiti, and disruption of the Plaza for broader public use—they were required to vacate the Plaza between 10 pm and 6 am. The Fire Department “red tagged” Frank Ogawa Plaza and issued an order to abate and cease operations.
- On **Friday, October 21**, the City issued a formal notice of violations and demand to cease overnight camping and cooking operations. In addition, on Friday night and throughout the weekend, the City’s homeless services team

coordinated with Operation Dignity and Alameda County to arrange for shelter, meals, and service referrals for the homeless population camping on the Plaza.

- On **Monday, October 24**, the Fire Department attempted to assist with the removal of propane tanks and cooking oil to address some of the fire hazards. The last notice was issued to cease overnight lodging.

The City of Oakland's goal has been to facilitate individuals to remove their tents, cooking facilities, and belongings, and to leave cooperatively. The City has partnered with community allies to help facilitate communication with the protesters regarding their departure, and we provided services to assist those with housing and mental health needs.

**OPD Enforces "Notice
of Violations and
Demand to Cease
Violations" in Frank
Ogawa Plaza**

Page Three

Securing an adequate level of mutual aid has also been a primary goal, especially considering the regional impact that the Occupy demonstrations have had on local law enforcement agencies.

The City remains committed to respecting free speech as well as maintaining the City's responsibility to protect public health and safety. Peaceful daytime assembly will continue to be allowed between 6 am and 10 pm daily, but no camping or overnight stays will be permitted. There may be some disruption to the Plaza during the time that it takes to clean it up and ensure that the Plaza poses no health and safety hazard from those choosing to protest. The City of Oakland's goal is to clean it up to facilitate free assembly in the Plaza as soon as practical.

I visited that protest multiple times, dropped off water and food. I don't have the freedom to be there myself, but I am infinitely supportive of this movement, which is the most surprising and hopeful thing I've seen in the US since we elected a black president.

Oakland should be ashamed of itself this morning. I'm ashamed of Oakland. I'd like to hear how this decision was made and by whom, so I can vote accordingly.

Jean, though I've been a supporter in the past, it's done. Tear gas at 4:30 a.m.?! Really? This is the way you treat human beings? I am just disgusted. The people who busted up windows in protest got better treatment.

Consider this move what gets me off the retweet machine and onto the streets. I hope that was your intention.

What a gestation! The time is finally here to celebrate Piedmont Pines' Groundbreaking's Groundbreak. I will send an invitation to the community shortly, but here are the details:

Where: 11 Ascot Place

When: 10/29, Saturday

Time: 2 p.m. to 3:30 p.m.

Linda Swartz's crew will prepare the site on 10/25 for show and tell

Here's how I see the hour going—comments welcome:

2 – 2:10: Mingle with beverages and munchies

2:10-2:20: **Dick Spees**—brief recap of project's history

2:20-2:35: **Libby Schaaf**—renewed teamwork over the summer to get here today

2:35 – 2:45 (?): **Jean Quan** has been invited but I've not yet heard back from her—we'll adjust the schedule if she can make it. Show 3 generations of councilmembers who've made this project their priority.

2:45 – 2:50 **Vit Troyan**—city's role with this vs other undergrounding projects

2:50 – 3: **Linda Swartz**—Site tour: Panel, trench. Process Phase 1 residents can expect. Approximate route.

Target date for street trenching.

3 – 3:30: Q&A, look-see.

I have no idea how many from the community to expect. I will send out a press advisory to the Montclairion (Ginny Prior in particular) and the East Bay Tribune. It's not a visual or audio enough story in my opinion for electronic media but I can be persuaded otherwise. If no media show up, I'll send a press release and photos as follow-up.

I worked on your campaign and voted for you.

I don't understand how you could allow the beautiful, peaceful, fully democratic free speech and peaceable encampment be so viciously destroyed!
They were feeding the homeless as well as themselves, for heaven sakes!
That is more than the City has been able to accomplish!

How can you possibly allow tanks and police from all over the state to invade Oakland?
How can you allow this beautiful tent city to be destroyed?

Breaking News from East Bay News Service Tuesday, Oct. 25, 2011, 8:50 a.m.

Police Clear Out Campers Near City Hall

The Oakland Police Department, with mutual aid from at least nine other agencies, deployed more than 450 officers before dawn Tuesday to evacuate campers who have been entrenched in Frank H. Ogawa Plaza for the past two weeks.

Having been alerted by sympathetic downtown merchants that police action was imminent in the early morning hours, the Occupy Oakland organizers commandeered Dumpsters from City Hall and dozens of garbage cans from throughout the Plaza to use as a protective barrier. Wooden pallets and metal shelving were also pulled from inside the encampment and used as shields.

Police gave an order to vacate, and an unknown number of overnight campers immediately fled, as did a large contingent of homeless people who normally have had the whole Plaza to themselves every night since Jerry Brown ended his tenure as mayor of Oakland. Brown often came back to City Hall late at night to order the guards to call Oakland Police and clear out overnight campers.

Other people inside the encampment started throwing bottles and other objects at police officers. Tear gas was deployed to subdue them.

Preliminary estimates are that about 70 people were arrested, some of whom were not part of the Plaza demonstrators, and processed through a field booking station in front of the Byron Rumford Post Office on the ground floor of the Ronald V. Dellums federal buildings on Clay Street. Detainees were placed into two Alameda County Sheriff's transport buses, one headed for Santa Rita Jail in Leavenworth, and the second to the Glenn Dyer Detention Facility on Seventh Street in Oakland.

Participating agencies included police departments from Emeryville, Fremont, Hayward, Pleasanton, San Leandro, and Vacaville; BART Police; University of California Police; and Solano County Sheriff's Department. In addition to more than 150 marked and unmarked

police vehicles, a dozen or so rented passenger vans brought in officers from three different staging areas.

Dear Mayor Quan,

If radio & TV reports are accurate, I am extremely dismayed that my city is implementing the most brutal attack reported today on the local "OCCUPY" encampment.

Over 200 US cities presently have "occupy" protests -- the unitary objective being the dangerous economic imbalance between Wall Street, big banks, mega corporations, the ultra-rich and the remaining 99% systematically being destroyed by the growing imbalance.

A serious consequence of the economic imbalance is that cities throughout the country are strangling on the brink of bankruptcy.

Rather than brutally attack the Occupy protest with tear gas and rubber bullets, cities throughout the country -- including Oakland -- should be in strong alliance WITH the Occupy Movement to bring collective pressure on the DC lawmakers for swift reversal of the economically devastating path on which the country is now fatally embarked.

City employees should report to work by 10 am or as soon as practical given individual commute considerations. Be prepared to show your City ID to enter the buildings. Due to safety issues, do not enter the Plaza.

Downtown employers in the area surrounding Frank Ogawa Plaza are encouraged to consider allowing employees to delay their arrival to work until 10 am.

City buildings surrounding Frank Ogawa Plaza (City Hall, 150 Frank Ogawa Plaza, and 250 Frank Ogawa Plaza) are closed to the public until further notice.

Frank Ogawa Plaza will remain closed until public health and safety conditions can be improved; this includes debris, human waste and hazardous materials removal.

We will continue to provide updates as they become available.

Dear Mayor Quan:

Please stop the violent raid of the Occupy Oakland encampment. There is no need to use police force on a peaceful group of demonstrators. There is no need for rubber bullets, tear gas, or flash grenades. What we do need, however, is peaceful collaboration, open communication, and a dialogue between the people of Oakland and its elected officials and managers....

Please take a lesson from New York, and allow for open dialogue and communication between you and the people who elected you into office. Stop the violent raids. Allow the protesters to stay. If you have problems with the way in which they are staying in their encampment (cleanliness, etc) then work with the people-- YOUR people-- and collaborate on a result that will satisfy both parties.

Police force and police brutality to corral an already peaceful movement is completely unnecessary and has put a blemish on your tenure as Mayor.

Sincerely,
Anita Lee

I want to second what Robin is saying. I know there are many of us who cannot camp out, but feel just as strongly as the folks who do. I feel that there may be more to the clamp down than meets the eye. The fact that there were tanks, helicopters, cops from many jurisdictions outside of Oakland, that the media was kept away from the actual scene and I couple it with the report on KCBS last night about the move to remove Jean Quan from office. That report identified the people they interviewed, but did not say what connection, if any, they have with Oakland. I did not recognize any of them. I have heard that the ousting of the Mayor is coming from outside Oakland and perhaps out of state. I don't know if that's true, but it makes me wonder.

I feel that there was no need for such a show of force and I wonder why, who and what is going on. The camp out was peaceful and well run. As for rats, as Davy D said, anyone who walks the lake, comes out of the Fox theatre at night has seen rats. I remember rats here all my life. We are a maritime community. We have rats. No need for such a huge presence of law enforcement for that.

I think if more of us understood what is happening to us here in the U.S. we'd all be camping out at Frank Ogawa. In fact, if we do nothing, we are all likely to be doing just that in the future, but not to make a statement.

Thanks, Robin

I still have yet to finish the media press regarding Oakland PD & San Leandro PD, but still waiting for this as it's now the 25th and I'm shaking my head at how OPD drags their feet.. Some of you just don't deserve to work in the positions to protect and serve our communities... Still waiting for follow up, follow through & completion of the simplest requests and projects.....

May God Have Mercy on Your Souls for the Mistreatment you've done to others through negligence, reckless behaviors, carelessness & ill intent with NO MISUNDERSTANDING.....

INTERIM CHIEF HOWARD JORDAN,

IT'S NOW 10/24 AND WE HAD THE MEETING ON 9/27.. IT'S ALMOST A MONTH, HOWARD... WHAT IS YOUR PROBLEM AND WHY CAN'T YOU COMPLETE EVEN THE SIMPLEST TASKS?? I KNOW YOU ARE RECEIVING MY EMAILS AND EVERY MESSAGE I LEFT...

AGAIN I ASK, HOW TRULY SORRY ARE YOU FOR THE LOSS OF MY FATHER? DO YOUR JOB & IF YOU MESSED UP, YOU MESSED UP, BUT FIX IT AND DO RIGHT....

I DON'T KNOW IF YOU REMEMBER THE TATTOO YOU SAW ON MY THIGH OF THE ALPHA/OMEGA SYMBOL I WEAR (AS I SAW YOU LOOKING AT IT WHEN I GOT UP FROM THE MEETING ON 9/27)... BUT AS I'VE HAD THAT TATTOO SINCE 10/10/10 (MY BIRTHDAY), AS THERE IS A SOCIETY I BELONG TO AND PRACTICED IN CODE AMONG OTHER WITH DADDY, I THINK YOU WOULD WANT TO TREAT THIS ENTIRE PROJECT BETTER THAN WHAT YOU'RE DOING.. I'M NOT LIKE THE SHOWTIME SERIES, "DEXTER" AND WE DON'T OPERATE LIKE FOLKS SEE ON TV WITH EXTREMES, SINCE THEY'RE JUST NOW REVEALING A SYMBOL THAT I'VE KNOW AND BEEN A PART OF FOR YEARS, BUT MAY GOD HAVE MERCY ON YOUR SOUL FOR THE MISTREATMENT, NEGLIGENCE, RECKLESSNESS, CARELESSNESS IN WHICH YOU TREAT OTHERS..... BUT IF ONLY YOU KNEW WHAT I KNOW..

YOU'D DO YOUR JOB AND REPRESENT THE BADGE THE WAY IT IS SUPPOSED TO BE REPRESENTED... IN TRUTH AND JUSTICE.. NOT THE CRAP YOU'RE PULLING..

IF YOU KNEW BETTER, YOU'D DO BETTER... NOT A THREAT BUT JUST SAYING AS YOU REALLY OUGHT TO BE ASHAMED AND DON'T DESERVE TO REPRESENT THE BADGE AND THE GOODNESS IT STANDS FOR...

STILL WAITING FOR A RESPONSE, HOWARD.. STILL WAITING FOR A FOLLOW UP IN COMPLETING THE SIMPLE TASKS YOU AGREED TO, HOWARD.... IT'S NOT HARASSMENT BECAUSE WHERE YOU WERE SUPPOSED TO FOLLOW UP FROM THE MEETING, CORRECTING YOUR LIES AND INACCURATE STATEMENTS, YOU STILL HAVEN'T DONE DUE DILIGENCE... DO YOUR JOB, PLEASE!!!!

HAPPY MONDAY..

Subject: STILL PENDING FOLLOW UP FROM INTERIM CHIEF HOWARD JORDAN FROM OPD & NEED A 3RD PARTY CONTACT ASAP FOR SGT. GEORGE PHILLIPS.. YOU'RE ADDING TO MY EMOTIONAL DISTRESS... WHAT IS THE HOLD UP WITH THE SIMPLEST FIXES IN OPD???

It's now the 19th and I STILL HAVE YET TO EVEN HAVE THE SIMPLE ISSUES RESOLVED...

HOWARD JORDAN,

Why is it taking soo long to follow up and follow through with even the simplest issue you were to resolve back on 9/27???

As you already are aware, I have several valid complaints of negligence, dishonesty, reckless behaviors against Sgt. George Phillips and although he has made "significant progress" on the case (which I just found on on 9/27), he has cause me and my family an indescribable amount of irreparable emotional damage.. Not only did he compromise my safety and My/ Daddy's business by violating a court order (because he didn't do his research) by bringing the person who

is responsible for Daddy's Murder & who's also made death threats and had her affiliates come after me in a car chase to my place of business without notifying me, not following proper procedure.... But because of Sgt. Phillips reckless & negligent behaviors in not following proper procedure and blatantly lied, I now have to see and hear about others seeing The Truck (THAT I HELD THE PHYSICAL PINK SLIP FOR, IN ADDITION AM THE EXECUTOR OF THE TRUST/ RESPONSIBLE FOR) anywhere from Richmond to Oakland, damn near every day and we lost that strong memory of our father, BECAUSE OF GEORGE PHILLIPS..

Because of Sgt. George Phillips and his lack of returning simple phone calls when I called him in distress the night of the car chase, and even more recently when I received death threats and pleaded to him and your office for help and to trace calls, he treated me with low priority and with the email response he sent, Even SAN LEANDRO PD CONFIRMED HE WAS GIVING ME THE "OUTRIGHT BRUSH OFF TREATMENT" and because of all of the stress when he couldn't even do the simplest things, I lost my child in miscarriage a short time after (BECAUSE OF ALL OF THIS.. NOT DADDY'S DEATH.. BUT GEORGE)....

Even my mother called me and asked me to relay and she also wrote a letter requesting that there be another form of contact because of the critical amount of emotional distress it causes my brother to even talk to him or hear his voice, because he's just as effected and that truck was supposed to go to HIM (for ME to administer to him once it was cleared)..... I CAN'T EVEN STAND HEARING HIS VOICE, LITERALLY.... I am so full of rage/ upset with Sgt. George Phillips it's not even funny, for how he mishandled things, lied & was reckless and I don't ever want to talk to him again. But as issues come up, I have no choice but to call him and leave messages and/or email BECAUSE **YOU DID NOT RESOLVE THE SIMPLEST REQUEST THAT YOU AGREED TO..... DO YOU REALIZE THE EFFECT YOU ARE CAUSING?????????? I MEAN REALLY?????** IT'S BECAUSE OF YOU AND PHILLIPS AND ALL OF THIS UNNECESSARY CRAP THAT I NOW HAVE TO MAKE AN APPOINTMENT TO SEE A THERAPIST BECAUSE OF THE EXTREME AMOUNT OF STRESS CAUSED THAT COULD HAVE ALL BEEN AVOIDABLE IF YOU HAD JUST DONE YOUR JOBS, FOLLOWED PROPER PROCEDURE, TELL THE TRUTH AND DO THE RIGHT THING... IT'S BECAUSE OF YOU, PHILLIPS AND YOUR DEPARTMENT THAT I HAVE TO SEE A THERAPIST TO GET MY STRESS UNDER CONTROL BECAUSE I LOST ALL OF DAMN NEAR EVERYTHING OF MY DAD FROM THAT PROPERTY BECAUSE OF YOU AND YOUR DEPARTMENT AND NOT JUST TAKING TIME TO DO THE RIGHT THING AND PROTECT AND SERVE!!!!!!!!!!!!

BUT FOR ALL I STATED IN THE MEETING AND IT WAS APPARENT THAT YOU UNDERSTOOD BECAUSE YOU AGREED TO RESOLVE THE MATTER, YOU HAVEN'T DONE A THING...

I DON'T KNOW IF YOU'RE TRYING TO PURPOSELY DRAG YOUR FEET TO MAKE THINGS HARD ON ME, BUT LET ME TELL YOU, MAY GOD HAVE MERCY ON YOUR SOUL FOR THE MISTREATMENT OF OTHERS, IF THAT IS YOUR INTENT...

Since My Father's Murder, as My Brother is physically and mentally disabled, EVERYTHING HAS FALLEN ON MY SHOULDERS N WITH THE PERSON RESPONSIBLE FOR HIS MURDER BECAUSE SHE WANTED HIM TO PURPOSELY DECOMPOSE AS EVEN THE FUNERAL HOME CONFIRMED 1ST HAND.... IT'S ONLY ME WHO IS KEEPING THE BUSINESS RUNNING AND PAYING FOR ALL THESE LEGAL PROJECTS NOT JUST FOR YOUR DEPARTMENT BUT OTHER AS I HAVE NO CHOICE IN BEING PLACED AS ADMINISTRATOR OF THE TRUST.. EVEN NOW, AS DADDY WAS ALWAYS THE ONE TO PRIMARILY KEEP MY BROTHER IN CHECK, MAINTAIN ALL OF HIS AFFAIRS SINCE MY BROTHER IS MENTALLY INCOMPETENT, I FOUND OUT THIS WEEK THAT I HAVE NO CHOICE BUT TO TAKE CONSERVATORSHIP OVER MY BROTHER BECAUSE HIS LIFE HAS FALLEN APART AND NO ONE ELSE IS CAPABLE OF TAKING CARE OF HIM...

SO ALL I'M ASKING FOR IS A LITTLE HELP AND IF YOU'RE TRULY SORRY FOR MY LOSS, YOU'D DO YOUR FRIGGIN JOB & TUCK YOUR EGO IN YOUR BACK POCKET..

As My Father left both My Brother & I life insurance, Sgt. Phillips already cleared us back in May... Since then, unbeknownst to me, there is an additional policy in which the Insurance Agency located both me and my brother.. As they sent a form for Phillips to fill out, he returned the form, showing the case is still open (which is to be expected), but showed no indication that I, nor my brother are cleared. He already knows me and my brother have nothing to do with what ever happened to Daddy...

Howard, since you STILL HAVE NOT RESOLVED THAT SIMPLE REQUEST, as my brother contacted me last week, I left a message for George to please contact the insurance people and correct. If there is something that I'm not aware of, please let me know... Didn't hear a word from (which I didn't want to hear anyways)...

I sent a follow up email yesterday and no word.. I was contacted by the Life Insurance Agency this morning, as well as my brother and left another message for Phillips and I **REALLY CAN'T TAKE EVEN HEARING ON VOICEMAIL (I will never forgive him for some of the shyt he pulled).. But there is no response.. The request doesn't take but less than 3 minutes to complete and not that hard..**

Now my guess for you, Howard, is because I struck a chord with your ego at the meeting, your purposely dragging your feet (which you intently made clear with an uncooperative response towards the end of the meeting) to try to make me suffer..... For George, since I started the Hell Storm and Complaint Process with Him since June (after I found out about the Truck) and bringing wrath, he's probably doing the same.... It may have been a simple fix, but judging how you and him carried yourselves, so far, I say his behavior is intent....

The sooner situations get resolved, the sooner I'll get off of your cases... **PLEASE FIND AN ALTERNATE CONTACT BECAUSE I REALLY CANNOT STAND HEARING SGT. PHILLIPS VOICE, NOR CAN MY BROTHER & I DON'T WANT TO HAVE ANYTHING TO DO WITH HIM, DIRECTLY.....**

ALSO, CAN YOU PLEASE HAVE HIM RESPOND TO THE EMAIL I SENT YESTERDAY IN RESOLVING WITH THAT QUICK FIX FOR THE LIFE INSURANCE, (WHICH HE ALREADY DID FOR THE PREVIOUS COMPANY) OR SOMEONE FROM YOUR OFFICE (BESIDES HIM) LET ME KNOW STATUS???

THANKS IN ADVANCE AND ALL I ASK IS THAT YOU TURN TABLES AND LIVE LIFE THROUGH MY EYES AND THEN YOU'LL UNDERSTAND WHY I'M SO UPSET, DISGUSTED & MAD AS A HORNET WITH HOW EVERYTHING IS BEING TREATED, HOWARD..

Subject: OAKLAND POLICE DEPARTMENT'S INTERIM CHIEF, HOWARD JORDAN IS AN EGOTISTICAL "SLUG" FOR THE MISHANDLING WITH THE ISSUES/CONCERNS SURROUNDING THE HOMICIDE OF YANCY V JOHNSON

Interim Chief Howard Jordan,

Happy Tuesday... This is a follow up from The email I sent to you, dated 9/30/2011, after our meeting on 9/27/2011. It is now 10/17/2011 and I still have yet to hear a response directly from you... Although you are Interim Chief (until OPD finds a permanent placement), I understand you have assistants.. However, as I met **DIRECTLY WITH YOU** in addressing issues on 9/27/2011 and you made **several** inaccurate statements, was to resolve the request to find an alternate method contact/ correspondence due to the irreparable & extreme emotional distress caused with any type of communication by Sgt. George Phillips, correcting the blatant lie you told in trying to cover for him, in addition to you following up with the outstanding issue of the property access rights/ coordination, I expect to hear **DIRECTLY** from you and have **not heard ONE RESPONSE, FOLLOW UP, CORRECTION OR OTHER... With as much time that's gone by and you knew you messed in the meeting by not being prepared and lied and tried to brush things off, it just seems that you really don't care about your job, nor your department, or you're just too comfortable in your position thinking you can get away with anything... That's a sad frame of mind either way, so I'm going to ask once again as I initially did on 9/27 & 9/30, to correct your inaccurate statements, lie you told and follow through with what you said you were going to do..**

Again, as I stopped your sentence in the beginning of the meeting because I already knew it was superficial and I stated that if you truly are sorry for my loss, you'd just do your job, making things easier for me.... So again, I ask

Interim Chief, HOW TRULY SORRY ARE YOU FOR MY LOSS BECAUSE YOUR ACTIONS CONSISTENTLY HAVE SPOKEN DIFFERENT THAN YOUR MOUTHPIECE...

Although I had to correct you on several inaccurate statements you made since it was clear as day that you did NOT read through any of the documents, DID NOT contact the City Attorney and did NOT do your homework/ research, it was very apparent that you entered uncharted territory and wasn't ready for it...

Among the list of things, discussed, ONE THING YOU DID AGREE TO DO AS AN EASY FIX was to find an alternate contact, rather than continue to correspond with Sgt. Phillips... Because of the amount of unnecessary stress Sgt. Phillips has caused our family, including me losing a baby with the stress caused with the multiple acts of malicious negligence and reckless behaviors, violating court orders that compromised my safety and other, it really has taken a mental toll on me and my brother... As I disclosed before that my brother has even called my mother and me crying, breaking down after every time he talks to Phillips... You "acted" like you understood and appeared to be fully cooperative in agreement.. As you have other officers contacting me to schedule meetings (even for other officers), all you had to do is designate a 3rd party to contact as a bridge way for Me/My Brother & Phillips... However, never received a follow up from this simple fix...

Since the meeting on 9/27, Sgt. George Phillips directly contacted My Brother, asking him for MY ADDRESS IN WHICH HE ALREADY HAS... He knows how to contact me.. He called my brother because he was going to send some resource information for a Grievance Counselor... **A GRIEVANCE COUNSELOR 7 MONTHS AFTER MY DAD HAS BEEN DEAD AND FOR ALL THAT WE'VE GONE THROUGH AND HE'S JUST NOW DISCLOSING THIS INFORMATION???**
WHAT IS WRONG WITH YOU PEOPLE??? I don't know if he's purposely trying to contact my brother to purposely agitate him, but it is very apparent that you did not even address the issue with Phillips because he still called my brother, days after the meeting on 9/27..... After my brother called both me and my mother, crying and already borderline nervous break down, SINCE YOU COULDN'T EVEN COMPLETE THE SIMPLEST OF TASKS, I HAD TO DIRECTLY CONTACT PHILLIPS AND LEAVE A MESSAGE LETTING HIM KNOW TO PLEASE STOP CONTACTING MYSELF AND MY BROTHER AND YOU WERE SUPPOSED TO HAVE DESIGNATED AN ALTERNATE CONTACT... IT'S NOW 10/18 AND STILL NO WORD, JORDAN... **So again I ask, How TRULY SORRY ARE YOU FOR OUR LOSS?**

As I've spoken to a few associates, clients and other who work in your department, I agree with them 1,000% in saying that you are "full of yourself", "egotistical" and "a slug"... As I stated in the initial email below on 9/30, everything was all smiles and charm until I started correcting you and calling you out on your inaccurate statements as I saw you weren't prepared.. From there, I don't care how you try to mask it, but you became more defensive, impatient, turned uncooperative as it seemed I struck a chord with your ego..... From wanting to help with simple fixes quickly changed as you saw the situation can no longer be brushed off and was all avoidable...

Where you stated that you would contact the City Attorney, and I asked you for a time line and you refused to give one, why is that Sgt. Bolten took a few moments to check in on the matter and doing what you should have done? It was very apparent in the meeting that as I called you out on your lie and inaccurate/ inconsistent statements, that you were trying to find a way to make me suffer.. You ought to be ashamed of yourself, Interim Chief Jordan.. With the behaviors you displayed, even in that short meeting and following after, tells me that you will never be a Permanent Chief and Always a Temporary because you have the wrong frame of mind in leadership and what your badge stands for....

As for a "Slug", That also fits you extremely well as it's all consistent with the behaviors from the meeting and looking at almost 3 weeks later and you still didn't do due diligence on the things you did agree to carry out.. **I'm not even going to define this term as you already defined it for me on Page 15 of Your Deposition from 1/21/11 with your case against Derwin Longmire, but your actions clearly define who you are and this label suits you in how you've handled this entire project....**

I am not purposely trying to go out of my way to attack you or your character.. But when you show any type of inconsiderate, unjust behavior and mistreatment towards me (especially when it's not justified in truth), I have even less consideration for you... Just do what was asked of you and follow through with what you were supposed to do (even from jump)... If folks just did the right thing and do what they were/ are supposed to, you wouldn't have to deal with this...

As I run businesses and even a rule of thumb in dealing with life??? If you don't want people to complain, especially about the same thing, then don't give them a reason to... Either resolve it and keep it moving or try to get it right the first time....

Interim Chief Jordan, in pushing forward, because of your intent negligent and reckless behaviors, I will be pushing forward to file a complaint against you, adding in with the bunch of bad apples... Thanks for making my claim against the city easier as all you had to do was do what was asked of you (even before the meeting) and carry out simple tasks, and you couldn't even do that and let your ego get in the way...

Please see below for original email sent as I still have not heard a response and you are clearly a liability for the city...

"Pour tous ceux qui répondre à mes appels à l'aide, et de faire diligence raisonnable grâce à la justice, la vérité, de véritables actes de le coeur, et ne pas traiter comme priorité faible, peuvent vous être béni un million de fois plus avec la gentillesse vous montrer d'autres personnes ...

Pour tous ceux qui je appel à de l'aide, et de me donner le pinceau de traitement, profiter de, maltraitent & agir avec un coeur mauvais destiné, par négligence, téméairement et bêtément, que Dieu ait pitié de votre âme comme je malédiction vous avec échec dans tous les domaines de la vie, 7x7, en plus de 2 fois comme comment vous traiter les autres de vous être renvoyé.."

Subject: OPD'S ASSISTANT CHIEF HOWARD JORDAN TREATS MEETING SURROUNDING YANCY V JOHNSON'S HOMICIDE WITH BRUSH OFF, LIES & CARELESSNESS

Hi Assistant Chief Jordan & Sergeant Benton,

This letter is a follow up from Our Meeting held on Tuesday (9/27/11) regarding with the investigation and several surrounding issues/ incidents since My Father's homicide on 3/16/11 under Report Number 11-013194.

I will make this as brief as possible and straight to the point. First and Foremost, Sergeant Benton, I want to say that I truly appreciate you being present and for your insight and the way you carried yourself, overall.... With the issues surrounding the trust (gaining access to property,etc)... You stepped up and expressed that with situations like these, it's not a common thing (explanation why the situation has been mistreated), but you came across in being open to listening and looking for a solution (not writing it off since it's uncharted territory).... As you spoke, you took responsibility/accountability, not just for yourself in understanding and experience as you worked Patrol (putting yourself in a position to see why things were handled the way they were), but Officers in your department Overall... If you weren't familiar with something, you were upfront in saying so, but presented an openness in being willing to learn and explore to resolve.... You took responsibility/accountability with an open mind to resolve and that is a Strong Trait of a Leader...

Even with addressing the issue as to why Chief Batts HAS NEVER responded at any point, you explained that, taking responsibility and I appreciate that... Even for after the meeting was done, you took the initiative to walk us to the Elevator and Explain some things but you made an attempt to bring closure with a "POSITIVE" resolve. Sgt. Benton, for your participation in the meeting and after, YOU ARE APPRECIATED AND SHOW GREAT TRAITS OF LEADERSHIP.... THANK YOU...

Assistant Chief Howard Jordan, let me first say that it was a pleasure (at first) meeting you.... As a compliment, I will say that you just as much extremely attractive on the news as you are in person.. You have a very strong and confident presence with an initial pleasant charm... What I am about say, as I speak in truth is I am extremely disappointed and offended by the meeting in how you conducted yourself, trying to figure out how did you get so hi in ranking... How can someone attractive, sharp, bright & charming on the exterior be so careless, dishonest, egotistical, insecure & "Unsmart" on the interior.... *Since light travels faster than sound, isn't that why some people appear bright until you hear them speak?* Just saying and not even trying to be mean but you definitely are That Example... As you treated this meeting and my file overall (complaints, concerns) with such inconsideration and carelessness, I have even less regard/

consideration for you at this point... As I have a lot of friends, associates, clients and other in your department, SOMEBODY SHOULD HAVE WARNED YOU ABOUT ME... I'M NOT OF THAT GENERAL POPULATION & VERY MUCH A RARE SPECIES AS YOU'RE ABOUT TO FIND OUT.... If you knew better, you would have done better.... Since you didn't, maybe this will give you incentive to correct the mistakes you made in the meeting..

Assistant Chief Jordan, from the beginning of the meeting, I picked up on your type in knowing you were gonna be full of shit and shady the moment you said "I'm sorry for your loss..... " (I picked it up in your voice)... That's why I stopped you because I already knew your condolences were superficial... As I stated if you truly are sorry, then do your job and make things easier for me.... The FIRST QUESTION I asked you is if you did your research (homework).. You replied , "Somewhat"... That tells me right there how much care and attention you put into My File of Situations/ Concerns/ Requests surrounding My Safety and My Father's Homicide and shows me how truly sorry you are for My Loss (which is none whatsoever)..

As there were several issues to discuss, I will say Thank You for resolving the "simple issues"... Although I wanted to have the case re assigned from Sgt. George Phillips because of his several acts of Negligence, Poor Customer Service & Dishonesty, I do understand and can respect the reason why you will not do so... Since NO ONE EVER CALLS ME OR CONTACTS ME OR RESPONDS with Status, I did not know of significant progress (and confirmation of information)... With what you disclosed, I can respect and agree that a Private Investigator is not needed for this case... I have no arguments with that... Thank You for honoring my request of finding an alternate method of communication since Phillips has caused so much emotional distress (with his foul ups) to me and my family.. I look forward to the update very soon....

Now on the main tip, You made SEVERAL MISTAKES & YOU LIED, ASSISTANT CHIEF JORDAN AND YOU OUGHT TO BE ASHAMED OF YOURSELF... You've had full knowledge of all of my complaints, emails, all documentation as there was a meeting ORIGINALLY SCHEDULED on 8/4/2011... You had from Late July until then to "do your homework" (research).. The meeting was cancelled and you went home before the meeting slot was even over and it was RESCHEDULED FOR 8/17/2011... You had from 8/4/11 until 8/17/11 to "do your homework" (research).... As Chief's Assistant, Yolanda Morris (who is also a liar) cancelled the meeting the day of 8/17/11, since you had an urgent meeting elsewhere, I didn't hear a word and things got escalated to where I FINALLY met with you this past Tuesday (9/27/11)... In all of this time, You had from Late July until Tuesday (9/27, exactly 2 months after initial meeting was scheduled) to "do your homework" (research)... You had all this time to research the emails and all attachments (That Chief Batts, Sgt Phillips & You had all this time), take a few moments to call the City Attorney to run scenarios by her, asking questions and getting confirmation and clarification of what can be done, proper policy procedure and other... But YOU DIDN'T DO A DAMN THING & LOOK EVEN WORSE THAN CAPTAIN STEVE TULL... How do I know? You told on yourself as it showed throughout the entire meeting....

Per our discussion on Tuesday, you made several inaccurate statements and I want you to confirm or correct what you said...

For the issue of gaining access on the property to retrieve the rest of My Father's Belongings that are ALL LISTED IN THE TRUST, I provided and re attaching the following:

- The Revocable Trust My Father (deceased) created from 2007, which includes the Grant Deed that Shows His SOLE Ownership of the Property, Information in the Trust confirming the Property was to go to ONLY Me and My Brother, Yancy P. Johnson

- Documentation confirming my role as Administrator/ Executor of The Trust

- Documentation confirming my role as Administrator/ Executor of The Property with Rights

YOU'VE HAD ALL OF THIS INFORMATION SINCE LATE JULY AND POSSIBLY BEFORE, AC JORDAN AS IT WAS ATTACHED IN THE EMAILS....

I have made several attempts to access the property with Civil Standby's and as the person who is Responsible for My Father's Murder (My Estranged Stepmother) has squatted on the property and lied

alleging it was her house and property (after I provided the same documentation to the responding officers), your officers refused me access to my own property and brushed it off as a "civil issue", stating that a court order is required (which is inaccurate as your city attorney and my attorney confirmed)...

There is no reason, as I provided all necessary documentation to the responding officers and your department that I should not have been able to get onto that property, retrieve personal properties and carry out my duties of the Trust as the Trustee/ Administrator/ Executor as even MY ATTORNEY WAS PRESENT ON ONE OF THE ATTEMPTS AND ALSO IN DISBELIEF BECAUSE OF IMPROPER HANDLING OF THE SITUATION..

As you also confirmed that what I am requesting is a "civil matter", you **DID NOT DO YOUR HOMEWORK AND CHECK WITH YOUR CITY ATTORNEY BEFORE MAKING THAT STATEMENT...** As you asked me the same questions in several different forms of do I have documentation to confirm that I have access and other, I DO AND I PROVIDED THAT INFORMATION WAS PROVIDED TO YOU 2 MONTHS AGO & EVEN THE MORNING OF THE MEETING.. **YOU WOULD HAVE KNOWN THAT AND READ THAT IF YOU DID YOUR RESEARCH!!!! BUT YOU DIDN'T, WHICH SHOWS ME HOW TRULY SORRY YOU ARE FOR MY LOSS BECAUSE YOU DIDN'T EVEN READ ANY OF THE DOCUMENTATION AND TAKE CARE OF THE TASK THAT WAS ASSIGNED TO YOU.... DO YOUR JOB!!!!!!**

As you've had this file/ emails/ documentation since Late July, it wasn't until the meeting on Tuesday (9/27) that you said you will contact Rocio Fierro ... I asked if you can also contact and coordinate with My Attorney and you refused, already appearing to be flustered because I had to correct you... I don't care how much you were trying to keep your cool, I could with your body language, eye movements and slight change in color, you were flustered... I asked you how soon can I hear from you on this because as I've been trying to make attempts since March with Civil Standbys and All and since then, The house has been foreclosed on, The Person responsible for My Father's Murder has Stolen everything out the house (family heirlooms, furniture, pictures,etc) and the only thing I need to get is The Vehicle that's in the carport since I am now being sued for it as The Administrator of The Trust and My Estranged Stepmother's Car is blocking it.... You tried to brush the question off so I asked more directly, "Can you please give me a time when I can hear from you and have this resolved?".. You responded, directly, **"No, I will not give you a time...."** in a very short tone and I could tell you were agitated.. **YOU HAVE SOME NERVE AND YOU DON'T THINK BEFORE YOU SPEAK, I SEE...**

So let me get this straight, as I'm already in process of filing a claim against the city and your department (taking money away from the already over budgeted city and your short staffed department) because of the several careless acts of negligence caused primarily by Sgt. George Phillips, I've already suffered the loss of My Father, have had death threats that your department gave the brush off treatment as even San Leandro PD confirmed, have lost damn near all sentimental belongings that were in that house by being stolen (photos, heirlooms, furniture, his clothes, etc) because your department didn't know to follow the proper procedure and have suffered A GREAT AMOUNT OF STRESS BECAUSE OF THE ACTS OF INCONVENIENCES UNNECESSARILY CAUSED BY YOUR DEPARTMENT ALL SINCE MARCH..... And you can't be considerate enough to see with all of that, take a few moments, make a call or 2 to get proper clarification and confirmation and coordinate something that would only take less than an hour to resolve??? As much as a few of your officers have messed up so far, you can't take a few moments out of the day to **JUST DO YOUR JOB, RESOLVING THE MATTER QUICKLY JUST SO WE CAN ALL MOVE ON??** The sooner you do your job, the sooner I'll stop bugging you....

As I'm already in process of filing a claim against the City and Your Department because of your "non education" with the issue of gaining access to the property with the Trust & Administration Documentation as I was refused access, inaccurately passing things off as a "civil matter" and since March, Everything has been stolen out of the house since then, **YOU MEAN TO TELL ME THAT BECAUSE YOU HAVE AN EGO PROBLEM BECAUSE I CORRECTED YOU ON SOME THINGS, YOU'RE WILLING TO COST THE CITY AN ADDITIONAL \$125,000+ (The Value of The Car)???? ALL THIS BECAUSE YOU DON'T WANT TO FOLLOW THROUGH AND FOLLOW UP ON A TASK THAT WAS GIVEN TO YOU SINCE LATE**

JULY???? You ought to be ashamed and May God Have Mercy On YOUR SOUL WITH THE MISTREATMENT YOU GIVE TO OTHERS..

So, Assistant Chief Jordan, how much do you really care about the city and your department??? How Truly Are You Sorry for My Loss as You So Superficially Stated??? How much do you truly honor your badge and what it stands for in protecting and serving??? Your actions spoke louder than your words, Jordan and I'm offended and disappointed.... You're too attractive and high ranking to be so foolish and careless...

The Simplest Resolution I am Requesting??? I am just asking for a Civil Stand by... I will coordinate (as I've done before) with Tow Trucks, Attorney and Locksmiths to gain access through the gate and onto the property... Since My Estranged Stepmother's (who is also the suspect in looking to be charged with Grand Theft Auto, Grand Theft, Attempt to Commit Fraud (Insurance Agency), Fraud/ Forgery with DMV & Falsifying Information on a Police Report) other car is parked in the driveway, blocking the carport, if she is there, the officer will tell her to move her car out of the driveway so I can have access... If she is not there, I will have her car towed and placed on the street. I will remove the vehicle listed in the trust, check the property to see if there are any other items listed in the trust (the house has been damn near completely cleaned out but still need to check) and be done... I am just asking that with all the information provided to your department, confirming ownership and rights onto the property and personal property listed to the trust be advised to the responding officer so if the Squatter aka Suspect aka Estranged Stepmother tries to feed some garbage out her property and other, the officer will know the situation ahead of time and be able to act accordingly, instead of refusing access and brushing off as a civil matter (which has been an ongoing inaccurate occurrence)..

IS THAT TOO MUCH TO ASK, ASSISTANT CHIEF JORDAN SINCE THIS CAN ALL BE DONE IN LESS THAN AN HOUR...

With the topic of status of the rest of My Father's Belongings that were in that truck and on his body, and the issue of releasing property, again the issue of the Trust came up as I provided all of this documentation to Sgt. Phillips since the beginning and you had in your possession since Late July (emails attachments with the complaints/requests).. **A Trust is defined as a Legal Obligation given by a person called the donor or settler (my dad), binding upon the Trustee (Administrator/ Executor) of the Trust, for the benefit of another (referred to as beneficiary)..** Assistant Chief Jordan, you directly stated that Department Policy does not Honor Trusts because it is a civil matter and property is released to next of Kin (which would be My estranged Stepmother).... You made the same mistake Captain Tull Did as you did not DO YOUR RESEARCH/ HOMEWORK... I questioned your statement because if that was the case, why did Sgt. George Phillips, out of negligence, directly contact my brother (beneficiary) about The Truck (that was Illegally Auctioned Off, Later) that My Father Was murdered in, instead of My Estranged Stepmother??? You responded that Phillips did contact My Stepmother and she told him to give the truck to my brother.... You didn't say "Phillips may have" or "Possibly"..... You directly responded with that statement with confidence as if it was a fact... Assistant Chief Jordan, your response was a COMPLETE BOLD FACED BAD LIE AND YOU NEED TO QUIT IT!! I KNOW THAT DIDN'T TAKE PLACE BECAUSE WHEN I PUT SGT. PHILLIPS ON SPOT, HE STATED DIRECTLY (via email and verbal on voicemail) THAT HE RELEASED THE TRUCK DIRECTLY TO MY BROTHER SINCE HE IS THE "BENEFICIARY" OF THAT TRUCK.... So not only did you try to cover for Phillips, but you got caught in a LIE, not knowing what I already knew...

AS YOU TAKE AN OATH OF LOYALTY TO THE BADGE AND ALL IT STANDS FOR IN PROTECTING AND SERVING OUR COMMUNITY, **DON'T EVER LIE AND ESPECIALLY DON'T EVER LIE TO ME!!!**
_Your colleagues should have warned you about me because I'm not the general population female....

So back to the Trust, as you stated that Department Policy does not Honor Trusts because it is a "civil matter" and property is released to next of kin, I asked you "are you sure?" and "Can you email me what

you just stated" because if that's the case, your department and the city would be covered with law suites and liabilities.. You stopped (already flustered because I've corrected you a few times already) and had to think about it and said you'll check with the city Attorney.. **YOU SHOULD HAVE BEEN DONE THIS SINCE BEFORE OUR INITIAL MEETING THAT WAS CANCELLED ON 8/4 AND HAD THE INFORMATION AND RESOURCES THE ENTIRE TIME BUT DID NOT TAKE THE TIME TO RESEARCH AND DO YOUR HOMEWORK..** So how much time did you put into this project, Assistant Chief???

Lastly, although I have filed a complaint against Sgt Phillips, it has nothing to do with him continuing the investigation.... And the case is still open... One of my main complaints, as My Brother and Daddy's Best Friend both confirmed to you is that there were leads that were provided with direct knowledge, even from the beginning and Sgt. Phillips never contacted many of them... Also, as I received Death Threats already knowing it's related to the person responsible for Daddy's Murder (My estranged stepmother), I asked to have my records traced and cross referenced to Daddy's and see any connection.. I received the brush off treatment as even San Leandro PD's Officers Confirmed.. I asked you in pushing forward, can he please do the trace & investigate to see if there is any connection and call the leads... You directly told me I have to file a complaint in order for him to do that... **ARE YOU KIDDING ME? YOU REALLY NEED TO THINK BEFORE YOU SPEAK, SOMETIMES.. JUST SAYING....**

So Assistant Chief Jordan, let me get this straight... As the investigation is still open, you mean to tell me that with investigating as sometimes we have to back track our notes, exhaust leads and just check into information, I have to file a complaint for him to turn over a stone that he already has knowledge of??? So you're telling me that if I provided information to your department for an open investigation that might possibly be helpful, I have to waste the City's Over Budgeted Spending on Filing a Complaint, having people to review it and then tell him to do his job??? You mean to tell me, you'd rather for me to file a complaint, rather than you telling him to take a few minutes just to follow up on something to exhaust a possible lead/ connection that could possibly close the case, sooner so he can move on???? **Assistant Chief Jordan, It appears that YOU'RE A LIABILITY TO THE CITY WITH HOW MUCH YOU'RE COSTING THEM WITH POOR JUDGEMENT & WASTING TIME.....**

So let me ask again, Are you SURE I HAVE TO FILE/ ADD COMPLAINT IN ORDER FOR PHILLIPS TO FOLLOW THROUGH WITH INFORMATION HE NEVER CHECKED ON AND IS ALSO RELATED TO MY SAFETY??

Since you didn't do your homework and as I've mentioned I've been involved with a car chase since Daddy's Homicide, Received Death Threats and Other.. Let me remind you as I, along with everyone else knows I'm the Next Target?? Is because for the person responsible for his murder (my estranged stepmother) has a motive of pure hate towards me (which is why she is acting the way she is and committed all these separate crimes since)... When my father was alive, and I was the closest person to him, I was not only his business partner and Daddy's Girl, But His Doberman (My Nickname).... What ever he told me to do, I did while he sat back and relaxed... For the person responsible for Daddy's Murder, upon request, I have fired her from the job a few times, repossessed the car she was driving.. When Daddy wanted to separate in the past from her, I coordinate everything and made it happen... When Daddy didn't want to be around her and she was stalking and harassing him, I prepared the protective orders for him and all he had to do was sign and be there.. Even for the eviction, I'm the one who prepared the document, he signed it and I served her for him and was to complete the process..

After his death and as you will see, he didn't leave her in charge and really didn't leave her anything, including a life insurance policy, she's still angry and blamed me for years for why he didn't want to be with her... So as you see from the tons of police reports & restraining orders and other, just as she removed him, the story is not over.. With your actions on Tuesday, tells me either way, you don't give a damn as your ego is too much in the way and you're too busy and you're too lazy and/or comfortable in your position to research anything....

Either way, Jordan, I'm going to give you a fair shot here and ask that you correct your inaccuracies and do the right thing...

As the meeting was from 2-2:30, it ran over and as time grew closer to 3, I observed something and want to point it out... On the day of the initial meeting, which was scheduled from 3-3:30, I called the patrol desk when I was trying to find parking to let them know to notify you I'm there but will be in a few minutes late, although my brother and daddy's friend were already there and waiting.. As I came in around 3:10 and waited in line (since McDonald told My Brother that he wasn't going to acknowledge him because he wasn't supposed to be in the meeting), when I finally talk to McDonald, he called the 8th Floor and told me the meeting was cancelled... I didn't understand and it was Kiona Suttle that came down stairs to inform me that Jordan had already left and he usually gets off by 3:15 (This was approximately 3:17).. I showed her my call log to confirm when I called into Patrol at 2:57.... Kiona then went upstairs and went to find someone to meet with us... She came downstairs, apologetic and confirmed no one was available and instructed me to call to reschedule with Yolanda... But one fact is JORDAN WAS GONE BEFORE THE MEETING TIME SLOT WAS OVER BEFORE 3:17...

I made a complaint about this shortly after and Yolanda called to address the issue and stated that Jordan was there the day of the meeting and did not leave early.... I could tell she was lying on the phone... But for confirmation??? One thing I noticed is in the meeting, as it got closer to 3, Jordan you kept looking at your watch and I could see you growing slightly impatient (like you were ready to go).... That was confirmation enough for me too see that your actions were consistent with the apology and update Kiona gave to me (IN TRUTH) on 8/4/11 and Yolanda is a liar, after the fact, trying to cover for YOU... **YOU GUYS NEED TO QUIT LYING SO MUCH AND JUST DO YOUR JOB!!! WHAT ARE WE (THE CITY) PAYING YOU AND SUPPORTING YOU FOR????? DO THE RIGHT THING AND QUIT PLAYIN REINDEER GAMES!!!!**

So Assistant Chief, Jordan?? As The meeting was held on Tuesday, I never received a follow up from the meeting, even to correct your inaccurate statements, but I am requesting response and resolution to these matters no later than Wednesday, October 5th, at close of the day.... These simple requests only take a few minutes to complete and as you didn't do your job and research before, and you WASTED MY TIME WITH THE MEETING SINCE YOU WERE NOT SUFFICIENTLY PREPARED, DO THE RIGHT THING THIS TIME AROUND...

IF I DON'T HERE FROM YOU, YOU'RE JUST ANOTHER STATISTIC TO BE ROLLED UNDER THE BUS WITH THE REST OF THE GENERAL POPULATION OF BAD APPLES WITH COMPLAINTS, CITIZEN'S REVIEW BOARD, ADDING TO THE CITY'S CLAIM AND OTHER... YOU'RE NOT ONLY COSTING ME MONEY AND WASTING MY TIME, BUT YOU'RE DOING THE SAME THING TO THE CITY & YOUR DEPARTMENT... JUST DO THE RIGHT THING AND COMPLETE THE TASKS THAT WERE HANDED TO YOU 2 MONTHS AGO!!!!

PLEASE SEE THE ATTACHMENTS ONCE AGAIN THAT YOU ALREADY HAVE HAD IN YOUR POSSESSION FOR 2 MONTHS, REVIEW, RESEARCH AND RESOLVE, APPROPRIATELY!!!!

WITH THAT HAVE A WONDERFUL WEEKEND....

Dear Glenfriends:

Having worked in Public Health twice in my career, I learned that public health laws have authority over all government officials including the U.S. president. It's not up to the occupants to decide whether their area is up to code, it's up to the officials because they have to comply with health, fire, safety laws, or else the City gets in big trouble. It's a catch-22 situation right now for anyone concerned about OO.

I agree, however, that rubber bullets and tear gas were totally unacceptable and unnecessary force used in this case. I'm sure the City will witness more protests to come because of this. Was Interim Chief Jordan in charge?

I think the conservatives are gloating at this time. I have recently written before that there are those who would like to see the mayor fail regardless of what she does. She hasn't even served a year and the people against her, especially those who voted for her biggest opponent, have been waiting to make their move. Thus, there's the recall.

The media is also responsible for a lot of misinformation. CBS Channel 5 is the worst, but I personally witnessed an NBC cameraman get harassed by designated OO people and a woman in tears who felt a group in OO wasn't taking her seriously.

I walked through the camp a few times and it's been a mixed bag with varying opinions on what is going on there, even with reports from sympathetic friends. However, OO has refused assistance on various levels and wants to function on their own terms and this is where problems have happened.

This City is in a crisis. We have a choice to make about how we're each going to react and if our reactions will really help or hurt the situation. This is an opportunity for something better to be created or worse to occur and it also depends on how we all play our roles too.

I'd like to hear what the Mayor actually says. I have my opinion just as thousands of others in Oakland do as well.

Regards,
Kit

October 25, 2011

Letter from the President

Dear Members & Friends,

Congratulations to the American Diabetes Association (ADA) and to the American Red Cross for their successful fundraising events this past weekend. Lake Merritt, one of Oakland's crown jewels, was the site on Saturday for the ADA's "Step Out Oakland" walk around the lake as well as the Red Cross's 5K marathon. Both were done over beautiful skies and occurred at the same time with great results.

Congratulations are also in order to McGuire & Hester, a local construction company that is working on the 12th Street Reconstruction Project that features the start of reconfiguration of the previous 12-lane expressway that dominated the area between Lake Merritt and the Kaiser Convention Center. The area is being converted into a six-lane, tree-lined boulevard with signalized intersections and crosswalks as well as a landscaped median. This portion of work is expected to be completed in June 2012.

The new roadway is being constructed further away from the shoreline and will allow for the creation of a new four-acre park with a waterfront overlook at the south end of Lake Merritt. The lake itself will receive a facelift with new pedestrian and bike paths and open-water bridges. Pathways under these bridges will lead from the lake to the Estuary while passing by the Oakland Museum, the Henry J. Kaiser Convention Center and Laney College, providing residents and visitors with safer pedestrian and cyclist access along the perimeter of the lake.

Part of the project will result in an open canal that will eventually allow travel by kayak from the lake to the Oakland Estuary.

The project is using the funds that became available after the passage of Measure DD.

God Bless America!

Subject: early morning events

Hi, I'm an Oakland resident and voter living in zip 94602. I'm not directly involved in the "Occupy" protest movement, except perhaps as a cyber-cheerleader. Many of my friends have been attending the Occupy Oakland gathering, in various capacities; I've been getting regular updates from organizers and participants and I feel I have a pretty good understanding what is going on there. I object strenuously to the police action that's taken place early this morning. Using riot-quelling techniques on people who are not rioting is completely beyond the pale. As you are no doubt aware, we native Oaklanders harbor a fierce sense of civic pride, and a big part of that is Oakland's place in the post-WWII social justice struggle. But sending in shock troops, making random arrests, confiscation and destruction of private belongings, among folks who are peaceably assembled in a public space....I do not recognize my Oakland in these events. I urge you to reconsider the official City of Oakland response to this movement, and get your selves on the right side of history.

Mayor Quan,

I'm writing to express my extreme disappointment at the police action at Occupy Oakland this morning. The use of tear gas and other harsh crowd control techniques was uncalled for.

This is ultimately your responsibility. Those who authorized the use of these heavy-handed tactics should lose their jobs immediately, and the occupation should be allowed to continue on Oscar Grant Plaza.

Best,

Mindful Drumming:

Drum for Inner Peace & World Peace

Friday, October 28, 2011

7:30pm to 9:30pm

3278 West Street

Oakland, CA 94608

This is a drum meditation - No entry after 7:45pm

Drumming is an ancient indigenous technology that uses the twin realities of rhythm and sound to bring about an alignment of body, mind and spirit. Mindful drumming is a path to evoke joy of our ancestors and their timeless wisdom.

This is a moment to remember and celebrate intimate rhythms with those who came before us through synchronistic communal drumming.
"Since love is eternal, change need not be viewed as fearful"

Mindful Drumming is a very specific form of drumming, an expedient way of tapping into our natural rhythm. If practiced in a conscious way it can be a tool to experience wellness and happiness.

Mindful drumming assists in building community.

Experience the twin concept of rhythm and sound vibration as a way of meditation. Together we will experience diverse rhythms, joining our intentions while maintaining a meditative state.

Mindful Drumming is a transformative learning process that offers individuals opportunities to experience divinity through rhythm and sound. Experience Mindful Drumming, as the world needs each of us to be still and listen.

Dear Mayor Quan -

I'm a proud Oakland homeowner, and today a very concerned Oakland homeowner, and I need your help. We met during your election campaign, on my doorstep in Maxwell Park, when I was enormously pregnant and our dahlias were blooming - I gave you one that matched your red dress. Having met you and voted for you, I know that you are a compassionate and sensible person, and are committed to being tough on crime in Oakland. I am appealing to you on both accounts.

I am devastated about the police raid on the Occupy Oakland encampment. I believe that the pellet guns, tear gas etc used by the police constituted an undue use of force. I am deeply ashamed that our progressive, diverse city has treated our Occupy activists more harshly than cities that are generally considered more conservative. And I am angry about the huge allocation of police resources, given that in my neighborhood, we have always had an abysmal police response time to the burglaries and assaults that occur and are reported here.

The City of Oakland should be a national leader in addressing economic inequity issues head on - not in forceful repression of the activists who are bringing these issues to light. What kind of leadership can we expect from the Mayor's office on this issue moving forward?

I look forward to your response.

Yours most sincerely,

Subject: Re: [laurelvillage] re Occupy Oakland; the Mayor

My biggest concern is that this all went down with, as far as I know, very limited communication between protesters and the City. From talking with protesters and the media, Mayor Quan never approached and talked with Occupy Oakland, only sending assistants out to deliver letters. Imagine how powerful it would have been to have the Mayor talking with, and working with Occupy Oaklanders from Day One. Issues with sanitary conditions, graffiti, and interactions with the media, could have been worked out. Instead, things escalated.

I agree that Jean has been blamed for *far* too much. We don't have enough monies and political will for social services, a *huge* amount of our tax dollars goes to fight unjust wars in Iraq, Afghanistan, etc, etc, with very little left over for the 99% who need assistance through these tough times. Lack of opportunities leads to crime, and we are faced with tough decisions as to whether to add more cops for short term solutions, or fund social programs for long term sustainability... and too often our politicians fail us with short term law-enforcement solutions like curfews that don't work.

But in this instance, Mayor Quan is wrong and I am *very* disappointed in her decision and the actions of the City Administrator and the Oakland Police Department. I have a friend who right now is facing \$10,000 bail or will have to stay in jail until Thursday. She's a union organizer, much like Mayor Quan was years ago...

Now, it's a very sad day and yet more negative publicity for the City of Oakland...

Very insightful piece by Scott Johnson in Today's Trib. He quotes remarks by a couple of 15-year-olds who go to school nearby; they seem to nail it. Occupy reflects our fury; the causes are worthy of support; but the Oakland Occupy folks do not appear very functional.

I am astonished at the fury directed at Mayor Quan. I have differed with her on various issues over the years, still do from time to time. I still have to review the ballot issues carefully.

But for heaven's sake, she is pouring every ounce of energy she has into trying to address the City's major issues – while selling and boosting the City's wonderful aspects, so it can prosper and not be ruined by its criminal elements and anthropology. She's been in office less than a year. Who else would be expected to solve our crime problem instantly, with no cops? I have to conclude that because change is actually happening, decades of grief and anger now are freed for expression.

I just spoke with Chief Jordan. Protestors who were arrested will not be kept until Thursday. All were cited and released with the exception of those that had an existing outstanding warrant. Many of those arrested have already been released. There will be another briefing at 4:30 from the EOC.

Subject: Message to City Employees from City Administrator re: Plaza activity

Dear City Staff,

As previously reported, this morning the Oakland Police Department began enforcement of the "Notice of Violations and Demand to Cease Violations" issued on Friday, October 21, to persons staying overnight in Frank Ogawa Plaza related to the Occupy Oakland demonstration.

By approximately 5:30 am, Frank Ogawa Plaza had been contained and the clean-up phase was immediately put in place. A multi-departmental team has been committed to the clean-up effort throughout the day and will continue this effort until City facilities are cleared of any health and safety concerns.

Please note that Occupy Oakland has put out a call to gather at 4 p.m. at the Oakland Public Library, 14th and Madison streets. The library will remain open until 5:30 pm and appropriate crowd control measures will be put in place. With the exception of re-routing 14th Street, all other transportation routes are uninterrupted.

Although there was a delay in work schedules for those working around Frank Ogawa Plaza this morning, we do not anticipate any disruption to City staff's remaining normal work day schedule. Employees are directed to remain at work for their normal work schedules today. During this disruption, we respect that you may need to make decisions in the best interest of yourself and/or your family. If you need to leave early, please work with your direct supervisor to get normal procedural approvals and use your leave balance. Work is to resume at normally scheduled times tomorrow, unless notified otherwise by City Administration.

The City remains committed to respecting free speech as well as maintaining the City's responsibility to protect public health and safety. Once the Plaza is cleaned up and reopened, peaceful daytime assembly will continue to be allowed between 6 am and 10 pm daily, but no camping or overnight stays will be permitted.

I greatly respect the commitment City staff has shown during these events and appreciate your patience these past two weeks, and I recognize the inconvenience that you have faced as a result of the demonstration. I also want to reiterate my appreciation that despite the distractions, you continue to meet your work responsibilities. Again, thank you for keeping your focus on providing outstanding service to our community. We will continue to provide updates as they become available.

You can view the written communications we have delivered on the City's home page at www.oaklandnet.com.

Sincerely,

Deanna J. Santana
City Administrator

,

I strongly condemn the brutal crackdown on Occupy Oakland protestors, authorized by your office, which turned a peaceful protest into a war zone. You must immediately cite and release the arrested protesters, fire the decision-makers who authorized the use of authoritarian police tactics, allow the occupiers to immediately resume their around-the-clock protest at Oscar Grant Plaza, and remunerate protestors for the destruction of property at the hands of Oakland-area police officers.

In the early hours of October 25, hundreds of baton-wielding officers assaulted protestors and members of the media with tear gas before arresting dozens of protestors and destroying the encampment at Oscar Grant Plaza. Some protestors report the use of flash grenades and rubber bullets during the early morning raid on the plaza. To add insult to injury, instead of citing the arrested protestors and releasing them on their own recognizance, police are holding them in jail until an October 27th arraignment, where they will have to pay a \$10,000 bond to be released.

These harsh measures are completely out of proportion to the peaceful assembly at Oscar Grant Plaza. Ultimate responsibility for the heavy-handed police response lies in your hands. I urge you to do the right thing and allow Occupy Oakland to keep Oscar Grant Plaza.

Judge rejects plea deal for three defendants accused of dozens of Oakland strong-armed robberies

By Paul T. Rosynsky
Oakland Tribune
Posted: 10/25/2011

OAKLAND -- An Alameda County judge rejected a package plea deal Tuesday for three defendants accused of a string of strong-armed robberies, saying he no longer was comfortable that the defendants agreed to the deal without receiving pressure to do so from one another. The unusual but not unprecedented ruling by Alameda County Superior Court Judge Morris Jacobson will now result in the three defendants facing a jury trial and at least two of them facing life terms in prison rather than the roughly 22 years they would have been sentenced to had the deal been approved.

Jacobson made his ruling just minutes before the three defendants were scheduled to be sentenced to prison under the package deal they agreed to in August. Under that deal, the Alameda County District Attorney's Office agreed to drop more than 60 separate felony charges against the defendants in exchange for their admission that they robbed dozens of people during an eight-month spree that included 19 home invasion robberies.

The robberies victimized residents living near Lake Merritt to High Street and included homes in the Dimond and Laurel districts.

In many of those robberies, the defendants are accused of using a gun, once to pistol-whip a senior citizen and, at another time, to allegedly threaten the life of a 2-year-old. During the robberies, the three are accused of stealing money, jewelry, laptops and cell phones.

At the time of their arrest in January, former Police Chief Anthony Batts and District Attorney Nancy O'Malley held a news conference to announce that the "terrorizing" case was closed. Seven months later, O'Malley's office offered the trio a deal in part to avoid having the victims relive the terror they suffered through testimony at a trial and because at least two of the defendants had clean criminal pasts and all three were young.

But questions surrounding the validity of the plea deal surfaced last month when one of the defendants, Romier Simmons, 24, of Stockton, asked, against the advice of his attorney, if he

could withdraw his plea of no contest and instead argue his case before a jury.

Jacobson agreed to give Simmons more time to discuss the deal with his attorney and set a hearing for Tuesday where Simmons was to make his final decision. At the hearing, Simmons said he thought about the deal and agreed it was in his best interest to take it. He said the pressure he felt to make the deal came from himself.

But no sooner did Simmons agree, another defendant in the case, Christopher Malbrough, 23, of Hayward, said he wanted to withdraw his plea and try his luck before a jury.

Malbrough said the two-decade long term in prison under the deal was too long. He said he'd rather die in prison than face a life in which he is released at age 45 with no prospects for work. "It's a long time and the thing that scares me the most is not the time but what am I going to do when I get out," Malbrough said. "I'd rather die in prison." Although Malbrough's reasoning for withdrawing his plea was not legally valid, Jacobson ruled there were too many questions surrounding the deal for him to be comfortable.

"I'm at a point where there is so much sketchy behavior by all defendants that I am no longer comfortable," Jacobson said. "Just all of it, it's like standing on shifting sand."

Jacobson's ruling upset the third defendant, Kyra Bayless, 21, of Milpitas, who faced just six years under the deal because she was only charged with a couple of the robberies.

"You seriously trippin'," Bayless said to the other defendants. "This whole thing is just (expletive) crazy."

All three are expected back in court next month and are scheduled to have a jury trial in January.

"We gain freedom when we tell our own story." With these words, **Reverend Alan Senauke** set the tone of inspiration and action at **EBHO's 7th Annual Interfaith Gathering: "Shelter in a Time of Storms: Our Stories Continue"** on October 12. Under the vaulted ceiling of the **beautiful Islamic Center of Northern California**, 120 faith leaders, activists, elected officials, and community members shared stories of resistance, resilience, and persistence in the name of giving voice to the unheard and making the invisible visible. The morning served as a call to action for housing justice, and as a tribute to **Reverend Phil Lawson's** seven years directing EBHO's Interfaith Communities United for Affordable Housing (ICU).

In the inclusive spirit of ICU, the event opened and closed with **blessings from the Sikh, Muslim, Buddhist, Catholic, Jewish and Ohlone traditions**. Speakers **Suzoni Camp, Janny Castillo, Nancy Delaney** and **Brian Stein-Webber** shared their reflections and personal journeys of finding new strength in affordable housing, and of fighting to ensure the same opportunities for others. EBHO Executive Director **Amie Fishman** reflected on the current "movement moment," as people rise up for economic justice locally and globally. And **Reverend Phil Lawson**, who will be retiring from EBHO in December, spoke of ICU's efforts to turn "swords into plowshares," including: bringing clergy together from across the East Bay, campaigning for affordable housing at the Concord Naval Weapons Station, creating a national Council of Elders, supporting immigrant rights and economic justice efforts, and encouraging congregations to use their resources, land, and influence to promote affordable housing.

As always, guests enjoyed wonderful food and company, and reported leaving renewed and re-energized. Many signed up to take concrete action, speak to their congregations, or become EBHO members. Ten people pledged to join the Interfaith Communities United advisory committee. Another nine pledged to involve their congregations in Housing Sabbath in May 2012. With the help of many of you in the community, we look forward to continuing interfaith work with Rev. Lawson after his "retirement", and to seeing our interfaith allies at future events. **Please join the next meeting of Interfaith Communities United on Wednesday, November 16 from 12 - 2 PM at EBHO; RSVP to Rev. Phil Lawson at phil@ebho.org.**

I am very unhappy with the way the oakland encampment was shut down. Sending cops in when it is still dark out...it is obvious people were going to get hurt, there was going to be confusion on both ends. If you were looking to "protect" the public, you might have wanted to consider that these people ARE the public.

Force like this is just not something we can tolerate. I am very upset by this.

Hello Planning Committee:

TSFF supported Oakland Education Cabinet was a huge success for no other actual reason than the Early Childhood Prenatal-8 Committee. When it was formed we were told that the OUSD only had 300 children enrolled in their early childhood programs that last year had some 1600! Dues to a lack of staff and lack of knowledge staff had not actively recruited parents to enroll their children. In mid summer we created the Swing Into Preschool Campaign (I hope that TSFF can help to institutionalize this campaign) and with substantial help from Alameda County Supervisor Keith Carson, Alameda County Child Care Council, Mills College, Mayor's Office and many others we have more than 1700 enrolled...and the campaign will continue for another few weeks! The 1700 children (numbers in the attachment) translates to children from families with challenging life circumstances enrolled in preschool, jobs (staff are hired based on need), and in theory the parents are able to work too. And the committee is just getting started. It's going to tackle literacy, transitional kindergarten and enrollment for next year. And we continue to have people contact me to join the committee. While the rest of the OEC and its six other committees continues to be a bit nebulous this committee was a smashing success. As you know my work with the OEC formerly ends Nov. 1 and soon you will receive a summary of my work to help to create and support the OEC.

Your neighbor, Gail Robinson, at 3927 Cerrito Ave. is furious:

Now that the days are getting shorter I am again so reminded of the light pollution from Kaiser, my next door neighbor.

I checked my records and see I have been seeking attention and resolution about this issue from you for over 5 years.

I cannot tell what time of night it is because there is constant illumination from the Behavioral Science Building all night long.

I have never had such insomnia since I moved into Piedmont Ave Lofts. The parking lot is way over lit all night long and comes through my shades and large unshaded windows.

The therapy offices are lit all night long every night. I hardly think this fits with the motto of "Thrive."

I am exasperated and greatly fatigued by Ms. Devries' "Oh I'm sorry, I'll talk to operations about it.:"

She has given me excuse after excuse about why this hasn't gotten any attention since my first complaints years ago." You give me a little gift bag to appease me.

Ironically, when I have applied for Kaiser Heath insurance which I had for years when I was a school teacher, I have been denied. I feel all neighbors sharing your campus without us reaping any rewards should have preferential treatment. I suffer the parking issues, traffic conditions, i.e. I can no longer turn left on Broadway from 38th, nor can I make a u turn at

the next possible left. I have dealt with the noise, dust and dirt in my house from the demolition and building. During the demolition my allergies and lungs reacted badly. I was told I would have my house and windows, screens cleaned but it never happened. I have been given nothing but lip service from Judy Devries. I imagine she is doing her job well which is to placate the public and try to unruffle any feathers. I am usually not a complainer, but for the above reasons I am furious and plan to seek changes by what ever means I have to.

I feel all neighbors within the range of Kaiser's campus and beyond should be given preferential treatment as Kaiser makes huge financial profit at the neighborhood's expense.

First, I want all lights out in the the therapy offices by November 15, 2011.

Secondly, I want the parking lights changed to motion detectors suitably adjusted not to be trapped by cats, rats and raccoons by November 15, 2011.

I want immediate response to this email.

I am prepared to seek monetary recompense for the light pollution and subsequence sleep deprivation.

In the early hours of October 25, hundreds of baton-wielding officers assaulted protestors and members of the media with tear gas before arresting dozens of protestors and destroying the encampment at Oscar Grant Plaza. Some protestors report the use of flash grenades and rubber bullets during the early morning raid on the plaza. To add insult to injury, instead of citing the arrested protestors and releasing them on their own recognizance, police are holding them in jail until an October 27th arraignment, where they will have to pay a \$10,000 bond to be released.

These harsh measures are completely out of proportion to the peaceful assembly at Oscar Grant Plaza. Ultimate responsibility for the heavy-handed police response lies in your hands. I urge you to do the right thing and allow Occupy Oakland to keep Oscar Grant Plaza.

Subject: [MDisc] Occupy Oakland Police Action

Kudos to the police for clearing out the Occupy Oakland protesters, who were violating city ordinances, with minimum use of force and no protester casualties. Of course, the action took place while Quan was out of town. Not that I think the police took action on their own. Rather I strongly suspect that Quan directed it to take place while she was gone so her "progressive" allies couldn't associate her directly with the police action. After all, didn't Quan lead one of the Occupy Oakland protest marches? Good leaders support their troops with their presence when they are sent in harms way. No so Jean Quan.

I strongly condemn the brutal crackdown on Occupy Oakland protestors, authorized by your office, which turned a peaceful protest into a war zone. You must immediately cite and release the arrested protesters, fire the decision-makers who authorized the use of authoritarian police tactics, allow the occupiers to immediately resume their around-the-clock protest at Oscar Grant Plaza, and remunerate protestors for the destruction of property at the hands of Oakland-area police officers.

Subject: Mayor Jean Quan's mentoring initiative updates..
Attachments: Mentoring Brochure(Final V2).pdf

Hello everybody,

Just a reminder this Thursday, October 27th, 4pm in the Mayor's Office, we will be meeting to discuss what we want to do together around National Mentoring Month in January. We already have a professional videographer who has offered his services to develop some PSA's for us. He is available every other Friday to do some taping. Even if you will not be attending Thursday's meeting, but have ideas of what we can do to both promote mentoring in general, promote specific programs, demystify who is a mentor, what it's like being a mentor/mentee, that would be great. As many of you know, the Mayor has a weekly e-newsletter, where she likes to highlight a volunteer each week. If you have a volunteer you would like to highlight, please let Sue know, providing their name, what role they are playing, and contact information. This is a great way to promote individual programs and recognizing all of our great volunteers!

Next Friday, November 4th at 4pm again in the Mayor's Office, we will have the next steering committee meeting. All are welcome. We will be finalizing our mission and vision, reviewing the proposal Bob Goetsch distributed regarding a strategic plan for the mentoring initiative, discussing National Mentoring Month, and date and agenda for a next gathering of the Mentoring Forum. Previously I sent out the notes from the October 5th meeting and the attendee/invitee list.

At the October 10th Public Safety Summit we had a workshop on Mentoring youth, where the attached brochure was distributed. Aisha from Oakland Bay Area CARES spoke about the importance of mentoring, we had a mentor from OreMi speak about his experience, two mentees from Beyond Emancipation described the importance of mentoring, and a mother with PeaceMakers spoke about the profound impact of her child's

mentoring on the whole family. It was a moving workshop and folks signed up afterwards who were interested in mentoring. Attached you will find the brochure- a work in progress!

If you go to <http://www2.oaklandnet.com/Government/o/Mayor/i/EducationLeadership/OAK025457> you will see similar content.

The next recruitment activity will be at the Oakland Raiders fan gathering on Saturday November 5th at the Convention Center.

We now have two wonderful interns from Cal who are helping out by following up with people who signed up at events expressing interest in mentoring Oakland's most at-risk youth. Welcome to Marena Rankin and Lauren Chee!

Pending to send out is a description of the 100 block initiative Mayor Jean Quan mentioned at the October 5th meeting and elaborated on at the October 10th Public Safety Summit.

Subject: Exactly the wrong thing to do.

Exactly the wrong thing to do.

Using the police to clear out Occupy Oakland was exactly the wrong thing to do .

Questions:

1. Where was the emergency?
2. Is it better now?
3. Was someone saved by this?
4. Is it somehow the fault of the protestors that there is so little trust in government?
5. Is there going to be better trust in government now?
6. Will the relations between Oakland and our police force improve now?

What struck me most was the image of the police tearing up the signs and kicking the Occupy tent people's stuff all over the plaza. I thought that the Police job was to arrest people and let Public Works clean up the encampment, not to do a violent victory dance over the defeat of those whose politics they oppose.

I stuck my neck out in person, in public and on line telling the protestors to engage, to accept dialog, to back away from any confrontation and to carry ourselves with dignity out of respect for our fellow citizens and out of respect for the righteousness of our cause.

It seems that the same message was needed inside our city government this week. No wonder that they never returned calls. And in the end, the police wracked more violence in a couple hours, destroyed more property and hurt more people that Occupy Oakland did in two weeks. Keep in mind, there was no riot, no emergency, no move made by the protestors other than to refuse to leave. It was the city of Oakland and the police that initiated the violence and chose its time.

Many things could have been done instead, especially since there was no urgent problem. For one they could have given our offer to act as a go between a try. No calls returned. How was that any different from the folk at the General Assembly refusing to speak with the city?

For every protestor arrested this morning, you can figure there are at least 1,000 who supported that cause and at least 100 of their community who will know the person taken away. You can add this number of people to the already existing resentment and distrust. You can add this to the history of bad relations between Oakland Police and Oakland.

We had cops from the suburbs arresting our protestors, destroying poor people's property, and relishing tearing up our signs and kicking our stuff around. No good will come of this. Maybe they could burn the books from the library tent and make a full show of it.

Yesterday I was at the Snow Park part of the encampment and we donated a tarp and a big blue ball to the kid's tent. My son picked that ball out for those kids from his own toys. This morning I told him what happened and that all people in the tents, the toys and the big blue ball are now gone, to be trashed by the police. He felt sorry for one of the kids for whom those were most of the toys he had.

A number of the people in both encampments were living there before the protests started. Most of the big problems sited in the city's memos already existed. Those people will now

face jail, inadequate social services and all the situations that made them homeless and living in the Plaza in the first place. Those 6 children who lived in the camp will be badly hurt by all of this in ways that will leave a lasting effect. But in our city, some hippies smoking dope in the park protesting banks is an urgent situation worthy of high spending and violence to quash. The hundreds, maybe thousands of Oakland residents who reside nowhere is obviously not so urgent a problem. Now the two have met the police.

When my 8 year old overheard adults talking about where the protests go from here he said: "what protests? now it is more like a war" and sure enough we have something of a war on the streets of Oakland tonight, a war provoked by unnecessary police intervention.

A beautiful thing has been lost. Occupy Oakland had its problems, but it also had its promise. There were workshops, books, a children's zone and some very good community bridge building going on. The place did not look or feel like a riot, it felt more like a festival. To quote Zennie "it was bone headed to refuse to talk to the city". Zennie is also right on to say that efforts inside the protest were dealing with the problems that the city was complaining about. All of them, even opening up and inviting the city to come and talk at the General Assembly. Most of the stories in the press were gross exaggerations and half truths. Members of the community were also coming out with everything from port-a-potties, protest marchers and just plain willingness to speak with the protesters and promote solidarity and harmony. Also beautiful and totally justified is the anger expressed towards those who own our economy and the government that serves them and only them.

A beautiful opportunity has also been lost. This Occupy Wall Street movement is a watershed in American politics. Oakland could have been the place where there could have been harmony and cooperation between our local government and this very justified protest movement.

We have every reason in the world to be mad with Wall Street, the big Banks and the corrupt system of lobbyist based politics that Occupy Wall Street is pulling back the curtain on.

Now we have every reason on earth to be mad at our local government.

We Bail Out Banks, But Not DESPERATE STUDENTS

By : Reverend Jesse L. Jackson, Sr.
Source: [Weekly Column](#) | [Chicago Sun-Times](#)

The sign at the Occupy Wall Street demonstration revealed the struggles of America's young: "A B.A., \$30,000 in student debt and no job." Young people are graduating from college into the worst jobs market since the 1930s while carrying record levels of student debt. The sad truth of Occupy Wall Street is that for many of the young activists, Wall Street occupied them first.

Students are borrowing twice what they did a decade ago, even adjusting for inflation. Debt has doubled in just five years. Student debt is likely to exceed \$1 trillion over the next year.

As states cut back on college support and grants, college tuitions have risen faster than the cost of homes, health care or energy. Americans believe a college education is key to their children's future, so more and more borrow what they can.

Students are now graduating with average debts of over \$24,000. When I speak to families in mining towns in Appalachia, I ask how many have lost a job, how many face foreclosure, how many face costly medical bills. Many hands go up. But when I ask how many worry about student loans, the biggest portion of the audience stands up. It is working families — families stretching to give their children the chance that they never had — who are taking on the greatest debt and are at the greatest risk.

The banking industry has used its clout to make these loans the harshest of all debt. They survive bankruptcy. The lenders have broad collection powers, far greater than with a mortgage or a credit card. They can garnish wages or even Social Security payments. When payments are missed, penalties are brutal. Students who graduate and then lose their job suddenly find themselves owing twice what they signed up for.

The debt constricts normal life events. Students must put off moving out from their parents' home, buying a car or saving for a home or retirement. They delay getting married or having children.

Defaults have soared. In 2008, more than 238,000 defaulted on their loans. The number of loans that went into forbearance or deferment (when borrowers receive temporary relief from payments) rose to 22 percent in 2007.

President Obama and his wife, Michelle, struggled to pay off student debts long after they graduated. The president increased Pell grants and provided relief that would link government loan payments to income, and provide potential forgiveness for those taking public service jobs. But despite the largest increase of student aid since the GI Bill, the debts keep getting bigger.

The debt not only enslaves the borrowers, it threatens the economy. With millions of young people burdened by debt, demand for apartments, homes, cars and discretionary goods is reduced.

Occupy Wall Street can ask these hard questions:

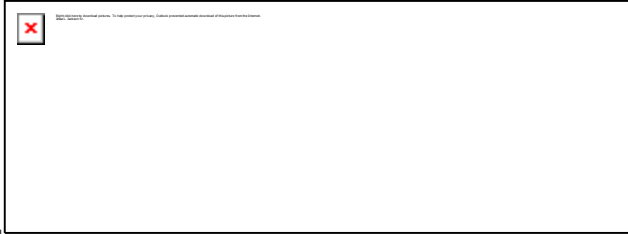

Banks corrupted Congress with campaign contributions to facilitate their fleecing

of the most vulnerable of students with the most onerous of provisions.

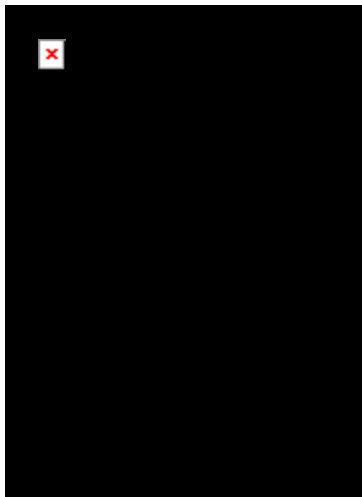

Why should big banks be able to get virtually interest-free money from the Federal Reserve, while students are forced to pay far higher interest rates? Why should bankruptcy courts be able to rewrite mortgages on the vacation homes of the wealthy while student loans are untouchable? Students need legislation to allow their loans to be refinanced in bankruptcy court, or forgiven. Why don't we provide students with the grants or low-cost loans the banks get?

Many young people forgo college. Others drop out, unwilling to rack up debt. If there is anything that is too big and too important to fail, it is our next

generation.

Subject: Shame on you Ms. Quan

Hello Ms. Quan,

I want you to know I was proud of you and our great city when you announced the way our city was to welcome and allow the Occupy Oakland Protestors. I am now saddened by the pepper spray and the breakdown of camp that happened today. If cooking is/was a problem, you announced that and the protestors took cooking away. If rats were a problem and public urination was a problem, allow for more garbage pickup, green waste composting pickup, and porta potties.

If this city is one thing, it IS the 99%. Including YOU. We need to be the example for other cities as to how it is going to be. Heavy handed and pepper spray is the same old same old. Our town is the new way. Our city is able to see the bigger picture and work through the problems of a long standing protest without force and violence.

Shame on you Mayor Quan. But also, I leave you room to fix your blunder and create a better solution than the one you just presented.

A tax paying, small business owning citizen of Oakland,

,

I strongly condemn the brutal crackdown on Occupy Oakland protestors, authorized by your office, which turned a peaceful protest into a war zone. You must immediately cite and release the arrested protesters, fire the decision-makers who authorized the use of authoritarian police tactics, allow the occupiers to immediately resume their around-the-clock protest at Oscar Grant Plaza, and remunerate protestors for the destruction of property at the hands of Oakland-area police officers.

In the early hours of October 25, hundreds of baton-wielding officers assaulted protestors and members of the media with tear gas before arresting dozens of protestors and destroying the encampment at Oscar Grant Plaza. Some protestors report the use of flash grenades and rubber bullets during the early morning raid on the plaza. To add insult to injury, instead of citing the arrested protestors and releasing them on their own recognizance, police are holding them in jail until an October 27th arraignment, where they will have to pay a \$10,000 bond to be released.

These harsh measures are completely out of proportion to the peaceful assembly at Oscar Grant Plaza. Ultimate responsibility for the heavy-handed police response lies in your hands. I urge you to do the right thing and allow Occupy Oakland to keep Oscar Grant Plaza.

Shame on Oakland, shame on you!!!! I taught in Oakland for 5 years... Oakland needs help not police brutality!!! The whole world is watching and again Oakland looks terrible... the people hope, not brutality... other cities managed, is Oakland so broken that it has to act as a police state and tear gas babies because they are so afraid of the truth.....the rich get richer.... the poor get poorer... and nobody does anything...

By the way, were you out of town???? how convenient and how it reflects on your lack of leadership!!!

Dear Mayor Quan

I am shocked at the news tonight. Our police force is throwing tear gas into crowds of Oakland citizens.

The majority of these people are peaceful. They are protesting the inequity of our tax and monetary system which is adversely effecting our city government as well as each one of us personally.

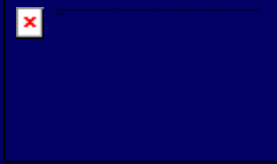

We do not have enough police to catch the bad guys. These protesters are the wrong target.

Please step up and speak out for me. Praise the protesters, make their voice heard. It could help.

Thank you,

About Us

The Associated Real Property Brokers, Inc. (ARPB), is a predominately African American real estate trade association, founded in Oakland, CA in 1948 at a time when real estate professionals of color were banned from membership in Realtor organizations. In 1954, ARPB was chartered as a local chapter of the National Association of Real Estate Brokers, Inc. (NAREB), the largest African American trade association in the United States, and is a branch of the statewide organization, California Association of Real Estate Brokers (CAREB). The trade name for members of NAREB is "Realist".

Since 1954, ARPB has been the premiere advocate for fair, decent and affordable housing and employment opportunities in the real estate industry in Northern California, and with NAREB, has been responsible for much of the fair housing legislation now in existence in the United States. Though many of our members also exercise their right today to be members of NAR, they understand the continued need for an organization that puts democracy in housing and the needs of our community first. NAREB is that organization. ARPB is the local arm of NAREB, based in Oakland and serving east bay communities, it has a rich history of developing local, state and national leaders in the real estate industry.

Update from City Administrator:

- Emergency Operations Center (EOC) continues to be activated, and the City Administrator and the Emergency Operations Team are monitoring all activities.
- Approx 1,700 individuals have assembled in multiple locations from Snow Park to Broadway & 14th Street.
- With assistance from additional mutual aid (100-150 officers), OPD has made multiple requests of the crowd to disperse.
- Several officers have been assaulted.
- Crowds have been attempting to break into the Frank Ogawa Plaza.
- Due to the crowd not being responsive to OPD's requests, and after repeated announcements and assaults on officers, tear gas has been used as a means to disperse the crowd.
- Chief Jordan will be holding a press conference in the next hour.

Attached is the most recent press release.

We will continue to provide updates as events evolve.

In the early hours of October 25, hundreds of baton-wielding officers assaulted protestors and members of the media with tear gas before arresting dozens of protestors and destroying the encampment at Oscar Grant Plaza. Some protestors report the use of flash grenades and rubber bullets during the early morning raid on the plaza. To add insult to injury, instead of citing the arrested protestors and releasing them on their own recognizance, police are holding them in jail until an October 27th arraignment, where they will have to pay a \$10,000 bond to be released.

These harsh measures are completely out of proportion to the peaceful assembly at Oscar Grant Plaza. Ultimate responsibility for the heavy-handed police response lies in your hands. I urge you to do the right thing and allow Occupy Oakland to keep Oscar Grant Plaza.

I strongly condemn the brutal crackdown on Occupy Oakland protestors, authorized by your office, which turned a peaceful protest into a war zone. You must immediately cite and release the arrested protestors, fire the decision-makers who authorized the use of authoritarian police tactics, allow the occupiers to immediately resume their around-the-clock protest at Oscar Grant Plaza, and remunerate protestors for the destruction of property at the hands of Oakland-area police officers.

Who wants to start a betting pool that Quan and CC will permanently rename FOP to OGP within a couple of months?

Would be rich if rumor correct that Quan delegated to Jordan and then departed for DC. Nothing like "plausible deniability"

Hope Chief Jordan is going to get a particularly big pre retirement pay bump for taking the heat on this for her.

Subject: Use the police to combat crime, not dissent

Hi Jean,

I just read an article in Scientific American about how crime in New York City dropped so dramatically related to a large police presence in crime areas. It was pretty impressive, and I was already thinking about Oakland and what we can take from their experience.

Then the Occupy Oakland site was trashed by police today, and I feel heartsick to think of our resources being squandered in a major police overreaction to this inspiring group of people. Jean, this was simply not necessary and is a contradiction of the way we all grew up demonstrating for justice.

We in Oakland need our police to be deployed into the areas in which our young people are getting killed, NOT to the site of peaceful and critically important protest.

Please use your influence to stop using the police as a repressive instrument, and rather use them to make our neighborhoods safe for all of us.

Thanks,
Danielle

I strongly condemn the brutal crackdown on Occupy Oakland protestors, authorized by your office, which turned a peaceful protest into a war zone. You must immediately cite and release the arrested protestors, fire the decision-makers who authorized the use of authoritarian police tactics, allow the occupiers to immediately resume their around-the-clock protest at Oscar Grant Plaza, and remunerate protestors for the destruction of property at the hands of Oakland-area police officers.

In the early hours of October 25, hundreds of baton-wielding officers assaulted protestors and members of the media with tear gas before arresting dozens of protestors and destroying the encampment at Oscar Grant Plaza. Some protestors report the use of flash grenades and rubber bullets during the early morning raid on the plaza. To add insult to injury, instead of citing the arrested protestors and releasing them on their own recognizance, police are holding them in jail until an October 27th arraignment, where they will have to pay a \$10,000 bond to be released.

These harsh measures are completely out of proportion to the peaceful assembly at Oscar Grant Plaza. Ultimate responsibility for the heavy-handed police response lies in your hands. I urge you to do the right thing and allow Occupy Oakland to keep Oscar Grant Plaza.
